Clinell - the market leader in advanced antimicrobial products
and the choice of the professionals...

The superb Clinell infection control range of products is impressive and proven. There's a wide variety of wet wipes and disinfectant sprays for surfaces, skin, medical devices and body fluid spills. All our products have been specifically developed for the healthcare market, including hospitals, GP clinics, nursing and residential homes, dentists, vets, laboratories and pharmaceutical outlets.

Bed Bathing Range

Clinell Bedbath Wipes are a simple, rinse-free bathing solution, designed to clean and moisturise all areas of the body - in one easy step.

The wipes are dermatologically tested - and alcohol and lanolin free.

Continence Care Wipes

Clinell Continence Care Wipes provide a unique 7-in-1 action of cleansing, moisturising, anti-bacterial, antipruritic, barrier protection, deodorising and soothing.

The wipes effectively replace traditional methods associated with continence care.
