

FRONT SIDE

Now you are enjoying your well-deserved retirement and have a little more time on your hands...

...why not take full advantage of all the fabulous benefits of being a retired member of the RCN?

There's so much on offer – and it will cost you **less than £1 a month...**

BACK SIDE

As a previous RCN member, you will remember that you could always rely on our protection and support in the workplace - and help with your professional development.

Well, now you have retired, doesn't mean that our support and help isn't relevant to you anymore. Please be aware, that we are still here for you. Because, as a dedicated healthcare professional, we are sure that you still care about your profession and the direction it is going.

So, why not take out a retirement membership and continue to have your say on those future healthcare issues that are important to you?

PANEL

It costs **less than £1 per month** and there are so many attractive benefits, including:

- Keep in touch and network with colleagues in your specialist forums
- Vote on key RCN issues and attend our Annual Congress
- Take advantage of fantastic discounts on holidays, insurance, shopping, golf membership and much, much more
- Become involved in the work of the National Pensioners Convention, campaigning for rights in retirement
