Arcadia Home Shopping makes home shopping fun, easy and very affordable.

Since our launch in 1990, we have enjoyed significant growth and we are now very proud to be the leading mail order company in South Africa.

We source the very best products from around the globe and offer them to our customers at very attractive prices. We have thousands of satisfied customers that buy from us, over and over again.

Our customers love the convenience of buying from us, from the comfort of their armchairs - and seeing the products arrive very soon after. No traffic problems, no parking issues, no queues, no frustrations.

Just great products at incredible prices, easy to order - and delivered to the door.

We have a superb range of Home and Garden items, Health and Beauty products, Kitchen, Lifestyle and Electronics. And our warehouse is receiving exciting new products every day, to be shared with our customers.

Our Health Supplements are some of the best in the world, from anti-ageing to slimming products and much, much more. We regularly receive testimonials from our customers, saying how delighted they are with these proven products.

We look forward to being of service to you - and having you join our large group of very happy customers.

Our Warehouse

We have a vast warehouse and a sophisticated operation. We supply all our products from stock.

This ensures effective completion of orders and delivery to our customers is fast and without delay.

You can be assured that your favourite products are always readily available.

Our Family

With more than 23 years experience, Arcadia Home Shopping is now one of South Africa's longest running mail order companies. We employ over 50 permanent employees, some of whom have been with us for a very long time.

We are a happy family - and it shows!

Friendly Support

You will always receive a friendly welcome when you call us to place an order. Our call centre is open every day from 08:00 to 17:00 and our knowledgeable customer service team are happy to help you in any way we can.

Camilace Comfort Bra

Exude elegance and be totally comfortable...

Wear your favourite low-cut blouse or dress with subtle cleavage coverage, but without an extra layer of clothing.

As with all Bravo Comfort Bras, the new Camilace Bra is made of easy-stretch fabric (Spandex and Nylon) and has no seams, no wires or hooks.

This guarantees total comfort.

The bra conforms perfectly to your body shape to deliver a perfect fit, even if you gain or lose a little bit of weight.

And there's no complicated exact measuring required! Your shirt size is your bust size. It's that simple!

Here are 7 Reasons why you will love this bra:

-)] Elegant hand-sewn lace bra doubles as a cami
-)] No underwires, hooks or adjusting straps
-)] Cups stretch to conform to your shape
-)] Easy to slip in, with a form-fitting seamless construction
-)] Woven durable comfort stretch fabric
-)] Magic pouch to slip in modesty pads for extra lift and coverage
-)] Machine-washable, never loses shape

Ceramic Pan

Cook beautiful tasty meals - with no oil, fat or butter

Start healthy cooking now with this amazing ceramic coated frying pan with vented lid - from only R450.00

A high quality, forged aluminium pan with an ergonomic easy grip' handle this product is revolutionary and will change your thinking in the kitchen.

It has double ceramic coating with a genuine non-stick surface. You will be able to cook your meals virtually fat-free - giving you healthier, tastier food the whole family will love.

Just look at the massive benefits it offers over so-called 'non-stick' pans:

- **Its ceramic coating is super non-stick and scratch resistant**
- **The base heats up faster and retains heat for longer**
- **Food literally glides right off the pan**
- **The pan is made from high quality forged aluminium**
- **It has a heat resistant soft touch silicone-coated Bakelite handle**
- **Use it on gas, electric or ceramic hobs**
- **So easy to clean and dishwasher safe**
- **Includes glass lid (on 24cm fry pan only) with steam vent**

Fed up of replacing so-called non-stick frying pans with coatings that flake and burn off? Here's the answer...

This incredible scratch-resistant ceramic-coated pan is designed to last and last. The polished ceramic coating is completely impermeable to almost everything. And this consigns non-stick problems to the history books.

Its surface naturally makes food glide right off the pan.
